Merchant Building Contest: We will once again be holding a contest to choose the grand champion booth. Three winners will be chosen: \$100.00 and a banner for first place, \$50.00 and a ribbon for second, and \$25.00 and a ribbon for third. The colors for the building drapery will be royal blue and red.

We encourage vendors to give away free items, if possible, to draw visitors to their booth. Please note - no inflated balloons as they wreak havoc on the ceiling fans.

Building raffle: We encourage booths to have items to raffle at the fair. This is a great way to get contact information. The winners of our raffles will be chosen at the end of the fair on Sunday night at 8:00 PM

Ladies Day: The organizers are requesting any merchant or vendor that can donate 1 special item or small items (200) that could be placed in the Ladies Day giveaway bags. All ladies that attend the program are given a bag from local merchants to take home. This is another way to get your name out there.

Contract Information: If interested in becoming a vendor at the 2025 Saline Community Fair, please download, complete and sign the contract, return a contract to the address below. (Contracts and other forms are available at our website www.salinefair.org or by mail.)

Liability Insurance: All merchants and vendors inside and out must have liability insurance to participate in the fair. We must have a copy of your liability insurance by the start of the fair in order to set up. If liability insurance is needed, fill out the rider form and return it with your contract. **(The fee for the rider is \$60.00)**

If you cannot participate in this year's fair, please let us know as soon as possible so we do not hold a space for you and we can plan out the building and outside spaces.

If the fair must be canceled due to the state of emergency, we will work with you to return your deposit or hold it for a future fair. If you have questions, please call us.

All current and existing COVID-19 rules and regulations must be followed while on the fair grounds by all merchants and vendors inside and out (if they are in place at fair time).
